ABOUT US

Say hi to the 1st Crowd Source
Skin Loving Beauty Co.

Rebel Values People

& the common sense that goes to being a relatively decent human.

- **Truth** We are kinda allergic to bullshit, & we think its kinda hard to keep serving it. So wouldn't it be easier to tell the truth? we think so.
- **Self Acceptance** Only 1 of you. Why not love yourself? Embrace who you are! culture, looks, skin color & all. Rock that S.E. Asian Beauty rebel!
- **Listen to Community** Beauty & Products should represent the people they serve, so why not give them a Voice? Mad curates. Our community creates.
- **Love for All** Life is short, who cares what people like or don't like. All who come in peace are welcome. Be you albino, cat, bi, or incredible hulk.
- **Rebel 1st** People come 1st at mad, not profit, sales or ego. We are here to serve & hopefully do some good along the way.

Rebels Believes in Choices

We Create for 99% of Rebel Beauties. The 1% got their brands, this 1 is for us

- **My Own F-ing Effortless** Beauty comes in all shape & sizes, F the limits. We make beauty Effortless for everyone, & for everyone to feel effortless. (even if they have acne)
- **Beauty that respects Skin** When Good things happen to your skin, you can just focus on You. That's why we have a list of 62 No No Ingredients. So we all can rest easy. (& us too, cause we use it too)
- **Beauty Democratized** Great ingredients should not only be for the 99%. Beauty should be accessible for the people who wants it. We price for people, not egos.
